The Candy-dragon

Once upon a time there was a dragon who ate too much candy, but he didn't think about brushing his teeth.

One day he got a terrible toothache, and he got very scared. He met

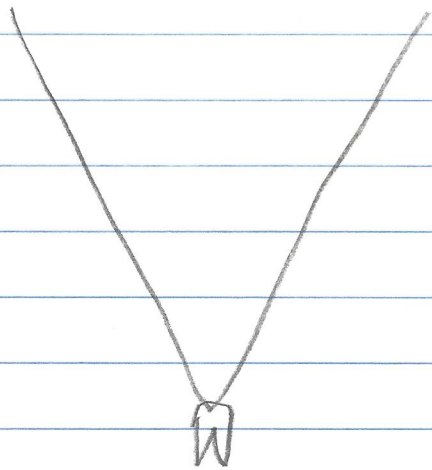

a sheep called Kindy. She knitted a soft scarf out of her wool for

him. She tied it around his head and told him to go to the dentist.

The dentist pulled out the bad

tooth and the dragon thanked
the dentist. In the end, the
dragon put his tooth on a
necklace. He gave it as a gift
to Lindy. Lindy thought this was
a funny prank while she put the
necklace in her left drawer.

The End!
