

How to make a

Rain Stick

by: Katja

MATERIALS:

long cardboard tube with lid on each side

bag of lentils

colored construction paper

nails

hammer

glue

scissors

stickers and other decorations

DIRECTIONS:

1. Hammer as many nails as you can into the tube.

2. Glue construction paper around the tube to cover the nails.
Cut off the extra.

3. Put the lentils into the
~~the~~ tube and close the
lids tightly.

4. Decorate your Rainstick.

5. Time to make music!
