

Classroom Task

1 Write a text

Instructions:

- Describe your own design!
Write about 80-100 words. Say...
 - what you need
 - how you make it (Describe each step)
 - what it should look like in the end
- Write the text on a sheet of paper.
- Peer feedback: Swap your text with a peer and give feedback.

2 Listening

Instructions:

- Copy the Transcript
- Cut it into snippets (not too difficult) and create sets
- Put the Ps into groups
- Hand out the sets to the groups (each group one set)
- Show the Ps the video again
- The Ps have to bring the snippets in the correct order
- Prepare a solution sheet
- Compare it with the Ps. (together)

Hello and Welcome to today's Halloween special of "Let`s be creative with Martina!" Today I want to make a spooky castle with you.

You need a pen, black paper, a white piece of paper, a brown piece of paper, an orange piece of paper and a yellow piece of paper and a green piece of paper.

You also need a pair of scissors, some glue, a black felt pen, a glass a triangle ruler, some tape and some googly eyes.

To start of you have to draw a castle on your brown paper. It would be a good idea to use your ruler. That's the way your castle should look.

As a next step you have to draw a big yellow circle. Use the glass. Very nice! This circle is your moon.

Then draw a pumpkin on your orange piece of paper. To make it look more realistic, draw some black lines on it and cut it out. Don't forget your green piece of paper. It's the pumpkins stalk. You glue it on the back. This is your finished pumpkin.

The next step is to draw ghosts on the white paper. Cut them out and put some sticky eyes on them. Here are our two ghosts.

Our last guest in the castle is the black cat. Draw it on the black piece of paper and cut it out. Don't forget the cute eyes.

Now glue everything onto your castle. Choose a nice place of everything. For example, the moon in the back and then the cat, the pumpkin and the two ghosts.

You can draw some whiskers and write down "Happy Halloween".

Thanks for watching. See you next week!
