Dear Katja,

How are you? Why aren't you writing to me?  
Is it because you are too busy?

I would like to thank you and Gregor very much  
for the Felix box and the Felix postage stamps!! I  
love them both!! Michael would like to thank you  
too. He loves the game very, very much!!

Do you know about Hit Clips? There's a boom  
box. Then there are little squares that play music  
when you hit play. I got it for Xmas. On the other  
side there is a drawing to show you.

How was your Xmas? Mine was great!! When  
you come I will show you what I got. I heard you  
went to skiing camp. How was that? Talk to you  
soon!!!

Love,  
Elizabeth
