

One nice evening
Meg and Mog fly on the
broom to Hawaii.

There they meet
other witches
and play "witch-
soccer".

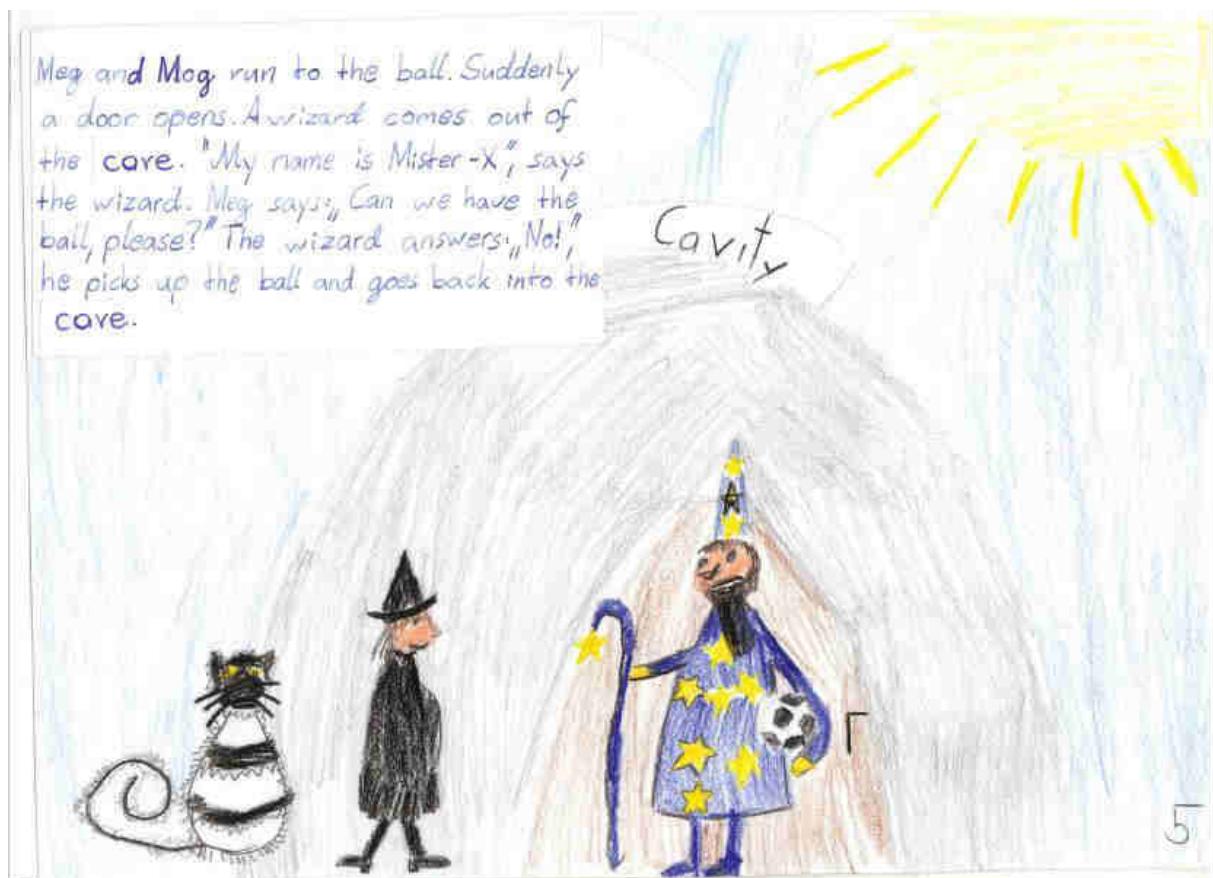

Then Meg gets a
penalty. She shoots and
misses the **goal** and shoots
into the jungle. 3

Then she goes and searches for the ball. She sees the ball in front of the cave. "Look, there's the ball", says Meg. 4

Meg and Mog run to the ball. Suddenly a door opens. A wizard comes out of the cave. "My name is Mister-X", says the wizard. Meg says: "Can we have the ball, please?" The wizard answers: "Not", he picks up the ball and goes back into the cave.

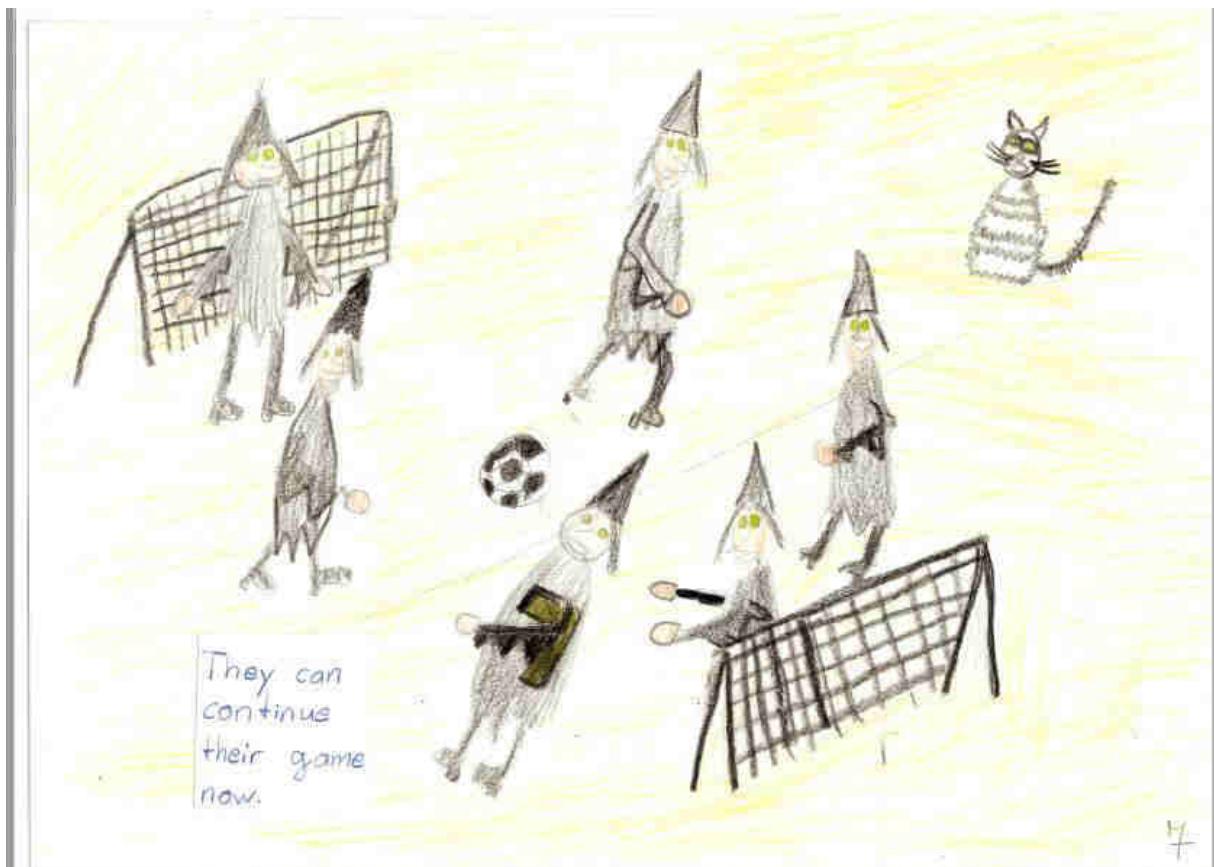

Mary Catit.

Meg and Mog were angry.
The witch knocks at the door.
"Hey, that's our ball!" shouts
Meg and transforms Mister X
into a mouse. She goes
into the cave, picks up the
ball and runs back to the
beach.

They can
continue
their game
