POEM

This should be a poem
but I don't know where I am going.
I am not creative
and my quotes aren't deep.
You might think I don't know what to do,
me neither, could you give me a clue?
I should present it,
but I don't know how.
I'm not funny,
and the time is running.
I don't like to write poetries,
but I have to, right?
But my question is
who is Mike?
