

### **Anorev's Life**

Anorev was a normal girl like every other. She has dark brown hair, brown eyes, and a beautiful smile. One day at school, there was a new girl called Serena, she was really mean to everybody and she was stinking rich. She came up to Anorev and said: "What a horrible name!" and very other hurtful words. That was her everyday trial. She was bullied and being beaten up because of her name and her appearance. Her best friend was always by her side, but couldn't do anything about it, because she was bullied too. Everybody had to obey her, if they didn't she would bully them too and make their life like hell. 1 month passed by as this happened until a new boy came to the school. He was also rich, but the complete opposite of Serena. He didn't like Serena, but was interested in Anorev. He was very handsome with black hair and green eyes. He made sure that nobody ever got bullied or tortured in any way and Anorev and the boy Paul live happily ever after.
