

## The Journey of Hope

Watch the [Film of refugees walking from Budapest to Austria](#) one more time. Think carefully about what you observed and respond to the questions below. Be prepared to share your thoughts with others in a discussion.

What inequality did you observe?	What rights are not being upheld?	Why do you think the refugees were treated this way? (By the government)	How did what you saw make you feel?	What action did you see?
<p>That they weren't treated nicely at the camp and were afraid to go back.</p> <p>It is hard to think these people have walked so far to get to the place that I live and that they had to walk and we have cars but they want to stick together as a group.</p> <p>After watching this video I want to help more.</p>	<p>We are all people. No one should be treated differently. We all have the same rights. The only thing different is where they live. That's all!</p> <p>It's not fair that we get to live in Vienna and have families and get basically all we want while they have to walk 250 miles! [or so]</p> <p>A Lot of rights have not been upheld and I ran out of space!:]</p>	<p>Well, maybe because of their religion, skin colour, anything really but all of it combines into the government being one thing. GREEDY!!!</p> <p>How come we are treated fairly and they aren't? Seriously people, the governments should have a coffee morning!!!! :P</p>	<p>I am a highly sensitive person i had to hold back tears.</p> <p>I can't believe that they are so close to me.</p> <p>They are hurt i am amazingly rich! I am building a House!</p>	<ul style="list-style-type: none"> <li>● Walking</li> <li>● Crying</li> <li>● Talking</li> </ul> <p>That sort of stuff. P.S. If you meant feeling or that kind of thing, I AM NOT A PSYCHIC!</p>
