

ROOMS

the rooms are very nice and big
you will be at least with one of your friends in
the room.

the biggest number in a room is 8 and the
smallest one is 4.

there are 2 floors and in each floor there is
one teacher Room. one near the stairs and one down the corridors.
in each room there are bunk beds, A bathroom and toilets
the toilet is separated with the bathroom. in the bathroom there is a
shower a place to put your towels and a small sink
there's a place for putting your clothes near your beds and a place for
putting your luggage and there is a table but it is very small.

BOOT ROOM

it has place to put your boots and you should close the
buckles so the shoes don't get bigger. keep it tidy when
you change you should put your other shoes when you
finish in there place

SKIS ROOM

The ski room is outside the hotel but not too far you put
your skis and poles on the hooks.

the poles should hang on the hooks while the skis lean
against the hooks.

HAVE FUN !!!!
