

Link to where I got the photo from

https://en.wikipedia.org/wiki/File:Old_guitarist_chicago.jpg

A) My piece of art is an abstract painting. The painting was painted by the amazing Pablo Picasso.

B) This painting makes me feel lonely because in the painting the girl seems lonely and miserable. Another reason is because Picasso painted it in a dark and shady color.

C) This painting makes me think in a sorrow way because it looks like the girl in the painting just went through a loss of a person and is playing a song for that person.
