Verse 1:

The princess falls a sleep
And then she wakes up
The prince comes over
And then he says sup
I pricked my finger
And fell onto my bed
Then I looked like
I was dead *she says*

Into a bliss

Verse 2:

(Cinderella)

Ain't got no mother no more
Every day I do more than one chore
The ball is near
And it is clear
That i've got nothing to wear
Guess I'll have to turn up bare
I got there and lost my shoe
It's like the stairs were covered in glue
Now the prince is in my house
So I went to hide with da mouse
Then he found me in my room
And I made his heart go BOOM!

Verse 3:

(the frog prince)

I lost ma golden ball
In the water(except Anna)
I am the queen's honest daughter
Then I saw a frog that speaks
He asked me if he could kiss ma cheeks
I said NO
And then I decide to go!!!!!!!!!!!!!!!!!!!!!!
But I wanted ma ball
So I thought once and for all
That I had no choice
So I let him control ma vooooooice

He slept on ma bed
And ate from ma plate
He turned into a prince
And asked me on a date
