

# BURGER THEFT

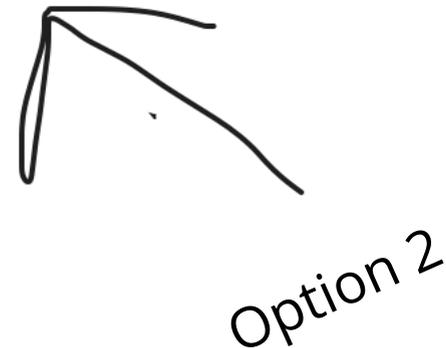

in this book you're the character here's how it works:

You go into the vent there  
two ways to go left or right

To go left turn to section 6/ to go  
right turn to section 8

1

You knock down the down the human running like hyper out of the building with your stomach shouting ,kill the food kill the food,

VICTORY!!!!!!!

3

You go left and enter the room where the food is the cupboard though there's also a human there

To go get the food and and run for your life out of the building turn to 8 /to hide in the cupboard with the food turn to 5

2

You are a dog and you are very hungry then suddenly you smell food and it leads you to a building there is also a vent

To go into the building go to section 7/to go into the vent turn to 6

4

You go right but then some kind of air dispenser pushes you out of the building from at least 75 meters and yeah you \*\$&\$ %\*( Die

5

You hide in the cupboard quickly for what feels like minutes then you accidentally hit the wall with your tail and you get discovered. oops!

7

You go into the building but some tiny human goes doggy doggy when he sees you and ... let's not spell out what happens next

6

You crawl into the vent there are two ways to go left or right

To go left turn to 3/to go right flip to 4

8

You grab the food and run turn to 1
