

# Breakfast

## Task 1

Read the text 1116: My morning routine

## Task 2

Try to find the words about breakfast in the wordsearch “BREAKFAST”. Write them down and highlight the odd one out.

## Task 3

Think about your breakfast routine and create a mind map. Show it to a peer and speak about it. The words you found in the wordsearch and the mind map “Breakfast” in LEXIS will help you.

## Task 4

Make a class survey! Ask five peers about their breakfast! The Class Survey sheet will help you!

## Task 5

In groups of 4, talk about your findings from the class survey. The discussion sheet will help you!

Make sure you work with new people (i.e. peers you have not interviewed)!

**Class Survey: Write down *key words* only!**

**1.**

Name: \_\_\_\_\_

Age: \_\_\_\_\_

Breakfast routine:

---

---

---

---

**2.**

Name: \_\_\_\_\_

Age: \_\_\_\_\_

Breakfast routine:

---

---

---

# Discussion Sheet

In groups of 4, talk about the findings from your class survey.

1. Present your results
2. Find similarities
3. Create a description of the most popular breakfast from your findings
4. Meet another group and compare your results. If needed, change your description of the most popular breakfast.

**These questions and phrases will help you:**

## Interview questions

What / When / Where do you usually have for breakfast?

Who do you have your breakfast with?

Who makes your breakfast?

## Phrases for reporting

The most/least popular food/ drink for breakfast is...

All	pupils	take their breakfast in the kitchen/ living room/ dining room...
Most		
Almost half of the		have their breakfast with their family/ siblings/ mother/ father/ alone...
Half of the		
Some		prepare their breakfast on their own/ together with...
A few
